RE: Sales Associate, Kiokii and..., Guildford Towncenter

Dear Hiring Manager,

I am writing to express my enthusiasm for the Sales Associate position at **Kiokii and...** Guildford Town Centre location. As a regular Kiokii shopper and someone deeply passionate about Asian beauty and skincare, this opportunity feels like a natural fit for who I am both personally and professionally. I am currently a student at Simon Fraser University majoring in Interactive Arts and Technology. Through my previous retail and customer service experience, I developed strong communication, teamwork, and problem-solving skills while working in fast-paced environments. I enjoy interacting with customers, understanding their needs, and creating welcoming shopping experiences through friendly and attentive service.

Skincare and beauty have been a genuine hobby of mine for years. I enjoy keeping up with trending skincare and makeup products, especially those popular among youth and online communities. Among my friends, I am the go-to person for beauty product recommendations, whether it's explaining which ingredients target specific concerns, how to layer products correctly, or which formulas work best for different skin types. For example, I am familiar with how many Asian skincare products are categorized by ingredients and benefits, such as yellow-coded products commonly focus on Vitamin C and brightening, pink or purple products focus on collagen or skin-firming benefits, blue products designed for hydration, and green products containing tea tree ingredients are often recommended for acne-prone skin. I also understand the importance of recommending products based on individual skin types such as dry, oily, combination, and normal, in order to provide more personalized recommendations for each customer.

I strongly believe that skincare and beauty are for everyone, regardless of age or gender, since everyone deserves to feel confident and comfortable in themselves. When I discover products with strong reviews or interesting benefits, I recommend them not only to friends, but also to my parents and grandparents as well.

Thank you for considering my application. I look forward to the opportunity to further discuss how I would be a great fit for the **Kiokii and...** Guildford Town Centre team.

Best regards,
Shin Thant Thant
